CAMPAIGN WILL BE EXTENDED

Although New Building is Assured, Money Needed For Equipment.

FUND NEARS $40.000.

Eli Sheets, Washington Candy Man, Contributes $100. Several Big Contributions are Expected.

At 10 o'clock this morning the hospital contributions had been increased $417.10, making a total of $38,532.08 without the city's contribution to back it up, which would bring the sum up to $38,532.08, while there only remains $1,460.02 to be supplied to cover the $40.000.Mark There is little doubt that this amount will be secured,as several reasonably large contributions have been promised, and others expected.

Among the subscriptions received this morning was one of $2.50 from Jeanette Martyn and one of $1.10 from Rose Blumenfeld, aged six. These little ladies are in the first grade at Lee School and have been exceedingly energetic in their collections from the children of this grade, which has amounted to a total sum of $6.30. These are only two of the little lassies in Miss Davis' school who have been very active in working for the hospital fund. This is an example of the spirit that has actuated not only the children,but their elders, and has resulted in the procuring for Alexandria an up-to-date hospital, which will doubtless be ready to be opened at the beginning of the new year.

Among other contributions to be received this morning was $10 from the colored Masonic lodges of the city, through Dr. Albert Johnson,

The committee wil continue to work next week and although the new hospital is now assured, an effort will be made to raise the entire $50,000 which is needed.

The executive committtee will meet on Monday night and take such steps as may be deemed right in connection with the hospital board.

Just as the bulletin board was going up Preston O.Cockey notified the committee that he had a contribution from Eli Sheets of the Martha Washington candy fame, of Washington, for $100.

SIX MEN MEET INSTANT DEATH

Eight Miners Thrown From Cage Wheel in Pennsylvania.

A FRIGHTFUL PLUNGE.

One Leaps to Fatal Hurts—Victims Precipitated Into Watery Depths of Colliery.

Tamaqua, Pa., May 30.—The Mary D. colliery ,five miles west of this place, was the scene of a very peculiar and appalling accident yesterday afternoon, as the result if which six men were instantly killed and two were injured.

The dead are Joseph Selinsky Tuscarora, married; Martin Visculas, Middleport, married; Mike Smith, Mary D., married, his wife having arrived from Europe but two months ago; William Petrosky, Middleport, single; Thomas Novak, Mary D., single; Henry Weiker, Tuscarora, six children.

The men were employed in the mines and were on a cage being hoisted to the surface. The cage instead of stopping at the surface landing, continued at a rapid pace 40 feet above the ground, until it reached the sheeve-wheel, were it turned upside down and five of the occupants of the cage plunged 700 feet to the bottom of the shaft, where they landed in a sump containing ten feet of water. They were crushed into shapeless masses, and it was not until a late hour this evening that their bodies were recovered and all identified.

Henry Weiker dumped from the cage while it was in the air, and struck a beam on the ground, his skull being crushed, and death was instantaneous.

When the cage fell Andrew Durkin, of Tuscarora, grabbed a projecting chain and escaped with slight bruises.

The officials of the company are unable to give the cause of the accident, and it is not known whether the engineer failed in his duty to stop the cage at the surface landing, or whether there was some mechanical defect at that time.

FIRE ON A STEAMER.

Liner Germania Reaches Port With Oil Cargo Burning.

New York, May 30.—The Fabre Line office was notified today that its liner Germania, with more than 200 passengers, among them two from Washington, D. C., had reached Fayal, Azores, after a desperate battle with fire in the oil cargo in the forword hold. With the oil still burning, the steamer put into port at top speed.

In addition to the passengers, there was a crew of 151 men, making a total company of 352.

The Germania was reported burning at sea Thursday night, but not until today was the seriousness learned through dispatches from Marseilles to the Fabre agent here. James W. Elwell & Co., of 17 State street.

Capt. Alfred Ricadeau gave orders to put on every ounce of steam to make the Azores in time to save his passengers and crew. Passengers and crew united in fighting the flames, which threatened to break through the bulkheads, inclosing the forward hold.

Drowned While Bathing.

Richmond, May 30 —Hobart Hare, ten years old, of Bluefield, W. Va., was drowned in the James river yesterday afternoon at 4.15 o'clock, while in bathing with a friend. Able only to swim a few strokes, he found himself beyond his depth and could not swim the distance to shore nor make way against the current. His comrades watched him helplessly from the shore, and then thoroughly frightened, picked up his clothes and fled the scene.

HIGH SCHOOL NOTES

Literary Society Holds First Annual Declamation Contest Last Night.

The Literary Society of the High School held its first annual declamation contest last night at Westminster hall. The hall was filled with pupils and friends of the school, who were repaid many times over for their interest by the attractiveness of the declamations and speeches. The speeches were:

Ashby Bladen—"The Homes of the People," by Henry W. Grady.

Miss Flora Glasgow—'Entertaining Her Big Sister's Beau," by Bret Harte.

Waller Barrett—Patrick Henry's Liberty Speech.

Elwin Brawner—Brutus' Oration from Shakespeare's "Julius Caesar."

Francis E. Johnston—"The Destiny of the Anglo-Saxon."

Otis Sunderlin—"The Blessed Damozel"

Miss Mabel Henderson—"Crossing the Bar", by Alfred Lord Tennyson.

Miss Madeline Martin — Lady Blanche's Soliloquy from Tennyson's "The Princess."

The judges were Rev. Dr. W C. Bell, of the Theological Seminary, Rev. P.P.Phillips, and Justice Harry B. Caton. The contest was won by the one who spoke with the greatest ease of manner, with the greatest amount of clearness, and had the best delivery. The contest was very close and very hard for the judges to decide, but after a long consultation, they returned with their report. The declaimer who best filled all the above points was Francis E. Johnston. He will be awarded the handsome gold declaimer's medal of the society. Mr. Johnston was the one who won midwinter preliminary contest of the society, and was sent to Richmond as the representative of this High School in the state declamation contest there. He has declaimed before 'The New South," by Henry W .Grady, Gray's "Elegy in a Country Churchyard," Webster's Bunker Hill address and "The Destiny of the Anglo-Saxon."

All the speakers deserve especial mention for their good delivery and clearness of expression, and Mr. Bladen and Mr. Barrett, especially, deserve much credit for the ease with which they spoke. In fact, all the declaimers were worthy representatives of the A. H. S. Literary Society.

Juniors Leading.

Only two more games, on the average, remain to be played by each team in the class team volley ball league formed by the school several weeks ago. The Junior team is ahead in the race so far, but the Seniors and Mr. Prettyman's "Tin Cans" are not far behind The tail ender is still Col. Ficklin's class of the first year, who have lost eight straight, and won none. The standing of the teams to date is:

	W.	L.	Pct.
III Year	6	1	.857
IV YEAR	5	2	.714
I Year (Mr. Prettyman)	5	3	.625
1 Year (Miss Hoffman)	5	4	.556
II Year	2	6	.250
I Year (Col. Ficklin)	0	8	.000

Next week the final standing of the teams will be published. There is a prize out for the team that finishes first in the league, and good-natured rivalry among the teams is intense. Meanwhile, the next few games will decide who comes out first, second, etc., in the race.

Debater's Medal

The best debater of the A. H. S. Literay Society will be chosen by ballot next week at a called meeting of the society. The original date for the selection was Friday afternoon, but, owing to the declamation contest coming of last night, the meeting was postponed. The one who is chosen will be awarded a gold medal on the order of the declaimer's medal. The vote is expected to be very close.

Final Exams.

Final examinations at the High School are to be commenced Monday, June 8th The Third and Fourth years have already held their examinations in French, as have also the First year in English and the Fourth year in chemistry. All rules of the intermediate exams will be in force, and also the exempt law—that of allowing pupils making an average of ninety per cent in a subject to be exempt from taking the exam on that subject, except the Fourth year pupils, who will have to stand examination on all subjects.

Commencement.

No plans for commencement have as yet been announced, but it is probable, however, that the arrangements for the event will be started next week.

"Sophs" Keeping Cool.

The "Sophs" have an electric fan installed in their class room now to keep them cool during these hot days. The rent of the fan was paid for by the pupils. Miss Hoffman's room has a fan now, too.

YESTERDAY'S MARINE DISASTER

Nine Hundred and Thirty-Four Persons Perished in St. Lawrence.

MASTER TO TELL TALE.

Two Hundred and Thirty-Four Bodies Are Recovered From River—Many Were Killed in Berths.

Quebec, Canada, May 30.—Investigation of the collison of the great Canadian Pacific liner Empress of Ireland and the collier Storstadt, in the St. Lawrence river, was begun at Rimouski today by the coroner with a view to fixing the responsibility for the tragedy.

Only 250 bodies of the 934 persons who are known to have perished have been recovered according to wireless dispatches received here this forenoon from Rimouski. Nearly all of the bodies are due to arrive here today on the Lady Grey, a government boat, which picked them up at Father Point and off Rimouski.

The Storstadt, badly crippled by the crash in which the sank the giant liner, arrived here early this morning under her own steam. There were no survivors aboard.

Official rports are to the effect that there were 1,367 persons aboard the Empress yhen she was rammed by the big collier and that only 159 passengers and 237 members of the crew were saved. There are in addition to these thirty seven survivors at Rimouski wha have yet to be classified.

Capt. H. F. Kendall, of the Empress, has not yet given a complete story of the disaster, but it exposted that he will tell a detailed story today at the inquest. In a partial statement the captain of the ill-fated lines is reported to have declared that the lights of the Storstadt were visible through the haze.

Rimouski, Quebec, May 30.—Sinking in 90 feet of water within 15 minutes after being rammed amidships in the upper reaches of the St. Lawrence river early yesterday, the Canadian Pacific liner Empress of Ireland carried down with her more than 900 of her pasesngers and crew. Of the 1,867 persons on board the liner only 433 are known to have been saved, making the probable death list 934.

The total number of persons on the steamer, according to corrected official lists prepared by the Canadian Pacific Railroad Company, was 1,367, 87 of them being first class, 153 second-class and 714 third-class passengers, while the officers and crew numbered 413.

According to the same source of information, the checking up showed the first class survivors to number 10,those of the second class 21.

Among the officers saved was Captain Kendall, R. N. R., who jumped overboard before the Empress of Ireland went down and was picked up half an hour later by one of the rescue boats.

Looming up through the river mists, as the Empress of Ireland was lying to, waiting for the fog to lift or day to break,the Spenish collier Storstadt crashed, bow on, into the side of the big Canadian liner, striking her about midway of her length and ripping her side open clear to the stern.

The crash occurred not far from the shore off Father Point, 150 miles from Quebec, which the Empress of Ireland left Thursday afternoon bound for Liverpool, and 10 miles from this point on the St. Lawrence. In reality, therefore, although the liner was heading for the sea and the collier coming in from it, the disaster was not one of the ocean, but of the river. Unlike the Titanic's victims, the Empress of Ireland lost their lives with in sight of shore—in landlocked waters.

Immediately the ship's crew recovered from the shock of the collision and it was seen that the liner had received a fatal blow wireless "S. O. S." call was sounded.

The appeal was picked up by the government mail tender Lady Evelyn here and the government pilot boat Eureka at Father Point and both at once set out to the rescue. So deep was the hurt of the Empress, however, and so fast the inrush of waters that long before either the rescue boats could reach the scene the liner had gone down.

Accounts agree that in the brief space oftime—not more than 14 minutes—between the shock of the collision of the liner—there was little chance for systematic marshalling of the passengers. Indeed, everything indicated that hundreds of those on the steamer probably never reached the decks.

Very few women were among the saved, not more than a dozen appearing on the list of survivors.

"It all happened so quickly that we did not really know what was going on and nobody had time to cry 'women first." one of the passengers told Captain Bellinger of the rescue boat Eureka.

"The stewards did not have time to rouse people from their berths," the survivors added.

Champ Clark, speaker of the House, took the place of President Wilson at the Memorial Day exercises in Arington National Cemetery today.

Col. John Williams Avirett, editor and proprietor of the Cumberland, Md., Evening Times, died suddenly yesterday morning at his home, Rose Hill.

Following the discovery of a shortage of approximately $200,000 in the accounts of the First National Bank of Amesterdam, N. Y., special agents of the department of justice have arrested Eugene K. Oppenheim and Howard J. Rogers in the office of Oppenheim & Co. The prisoners are charged with making false entries in the books of the bank and similar charges were lodged against other persons.

Chase, former financial secretary of the Young Men's Christian Association, who recently pleaded guilty to the grand jury indictment charging him with embezzling more than $6,000 of the association funds, was sentenced yesterday by Justice Gould, in Criminal Court No. 1, in Washington to two years and six months in the Federal penitentiary at Leavenworth, Kan.

Dr. Julius Martinson, a physician, and Donald G. Tomlinson, a young architect, were lodged in the Tombs prison, New York, yesterday, to await the result into the pitiable death of Mrs. Connie May Tomlinson, a bride of nine days, who expired in the Lying-in Hospital Thursday night after an alleged illegal operation. PRESIDENT WILL VISIT ARLINGTON

Surprise Manifested When Executive Concludes to Accept Invitation.

MAY MAKE A SPEECH.

Orators Who Were Preparing to Assail Mr. Wilson Have Wind Taken Out of Their Sails.

Washington, May 30.—President Wilson decided to attend the G. A. R. memorial exercises at the National Cemetery at Arlington this afternoon.

He will also make a speech if asked to.

Champ Clark speaker of the House, who had decided to accommodate the veterans, after learning that the President had refused, will not be the star of the occasion.

The change of mind on the part of the President came as a big surprise to the managers of the Memorial Day exercises after he had turned down the G. A. R. invitation, after having accepted the invitation to speak at the Confederate monument unveiling at Arlington on June 4th.

It was declared at the White House this morning that the President changed his mind last night before it was known that Speaker Clark had agreed to adjust his engagements in order that he might take the President's place.

Polygamy no longer is practised by Mormons in Utah, Senator Sutherland told the Senate yesterday, after the reading of a petition from West Durham, N. C, presented by Senator Overman protesting against it. "Polygamy," said Senator Sutherland, "has been absolutely abandoned in Utah and has not been practiced for many years. There are still some old people who entered the relation many years ago who still maintain their households. I am sure that if the question were submitted to a vote of the Mormon people they would never decide to return to polygamy."

John D. Rockefeller, Jr., is denounced as "another claimant" to divine right," in an editorial by Samuel Gompers in the American Federationist. The Supreme Court is criticised for its decision in the Gompers-Mitchell Morrison contempt case, and the Democratic party is "warned" to exempt labor unions from prosecution under the Sherman anti-trust law. Mr. Gompers declares that Mr. Rockefeller "will learn that human right and justice are greater than his conception of 'individual freedom.' Mr Rockefeller has been rapidly educating public opinion by his arbitrary policy and his cynical disregard of human gist, E. S. Leadbeater & Sons, are vivid lessons the nation will not soon forget."

A dispatch from Tampico says Col. Adolpho Hinojosa, whose arrest of the paymaster of the gunboat Dolphin brough the Mexican situation to a crisis, has been executed by the rebels. Hinojosa was caught in the interior by two rebel officers, who had sworn to avenge the insult to the United States. He was executed by a double firing squad. It was because of the arrest of the Dolphin's paymaster and boat crew that Rear Admiral Mayo demanded that the Mexican commander apologize and salute the flag.

George Berry, 21 years old, 2031 L street, northwest, the colored janitor, was struck by a piece of iron and it was necessary to take him to the Emergency Hospital for attention.

The cause of the explosion could not be determined. A strawberry festival was in progress in the parlors of the church.

The force of the explosion scattered a table full of dishes in all directions, blew out a number of windows in the church, and tore out a large section of the kitchen wall.

EARLY SUMMER MARKET

Plethora of Strawberries and Vegetables—Fair Attendance of Sellers and Buyers

The market court presented a busy scene this morning. The weather being propitious, there was an increase in the number of country attendance. There were more purchasers than usually moving to and fro inspecting displays on the benches and getting the price lists. There was an abundance of flowers on the benches and they attracted as much attention from the female visitors as did the necessaries of life. Many were purchased for the decoration of tables, they being regarded as an adjunct to surroundings of the board.

The strawberry season may be said to be at its height, they were selling at an early hour at four boxes for 25 cents, although some of the finer varieties brought 10 cents a box. Later in the day, when the receipts were insreased, prices dropped somewhat.

Butter was selling at 27 cents per pound, but some could be bought at 25 cents. Eggs sold at 23 cents a dozen. Chickens were still soaring, they bringing 30 cents a pound.

There were fine display of early summer vegetables. Cabbage were disposed of at 4 cents a head and up. There were plenty of greens in the shape of cuttings which sold at moderate prices.

Rhubarb was plentiful, it being seen on most benches. Three bunches could be bought for 10 cents.

Asparagus sold at 10 cents a bunch radishes at 2 cents, or three for 5 cents, onions two bunches for 5 cents, lettuce 2 to 4 cents a head, and new potatoes at 18 cents a quarter peck.

THE PICTURTS LAST NIGHT.

Strength of Family Ties, a 2 reel production and one far above the average, and the Wedding of Prudence, comedy drama, another 2 reel feature, by the Essanay Co. ENJOY MEMORIAL DAY

Many People Participate in Holiday Pastimes—Business Practically Suspended

There has been but little commercial activity today, although it was Saturday, and the majority of the Alexandrians observed Memorial Day as a holiday. While stores were opened this morning, most of the places were closed in the afternoon. Many motorboats and sailing craft, carrying private excursion parties down the river from this city and Washington, dotted the river yesterday evening and equally as many more were seen this morning. Other picknickers utilized electric and steam trains for the purpise of reaching pleasant spots in the surrounding country.

The government and city offices were closed. The principal local event will be the exercises at the National cemetery later in the day. This has been an annual custom since the close of the civil war, and the attendance will doubtles be as large as usual

Mr. John A. Reeves, superintendent of the cemetery, has prepared the following progrnam:

Bugle Call, Miss Dora Varney.

Calling assemblage to order, Past Commander E. H. Holbrook.

Music, "How Firm a Foundation," children.

Chorus, under direction of Miss Blanche Rotchford.

Invocation, Rev. C. R. Strausburg, pastor of the Methodist Protestant Church.

Music, duet, Miss Blanche Rotchford and Mr. Solomon.

Address, Capt. Thomas H. McKee.

Music, "Nearer My God, to Thee" children's chorus.

Address, the Rev. Dr. J. W. Duffey, pastor of the M. E. Church South.

Salute, fired by the Alexandria Light Infantry.

MAN IN THE HOUSE.

Lady on South Fairfax Street Alarmed at presence of stranger

A lady who resides on Fairfax street between Wolfe and Wilkes, was startled last night when she discovered a strange man ensconced in her sitting room. She called in a passerby, when the intruder arose and walked out.

It is said that the man was seen in a yard in the same neighborhood on Thursday night. The police have been notified and they are endeavoring to identify the intruder.

KNOCKED DOWN BY WAGON

Little Daughter of John Waddy Has Narrow Escape from Serious Injury.

Some excitement was created at the intersection of King and Pitt streets about seven o'clock yesterday evening when a little daughter of John Waddy was struck by a delivery wagon in charge of William Jackson colored. The little girl was picked up and carried into the drug store of Edgar Warfield, Jr., and Doctor Jones summoned. The doctor found that the child was not materially injured, but had received bruises.

Jackson was arrested and this morning he was brought before the Police Court. The testimony showed that the vehicle was not following the law in coming down the street also that a small boy was driving the horse at the time, although the vehicle was proceeing slowly.

Jackson was fined $1. for violating the traffic law.

ONE LESS AT HOME—ONE MORE IN HEAVEN.

In loving remembrance of mother, wife and daughter. Five years ago today MAY ARNOLD WOOD was called suddenly to her reward. Though death claimed her, memory is still fragrant with her lovable characteristics. But in all our troubles we cannot but remember that—

We are passing away with the torches of hope
That our spirits virgins bear
To the golden portals that brightly ope
On a land forever fair.
Where angels stand ready to let us in
To those regions of light and peace
Where the thorn in the flower has never been
And where sorrow and pain shall cease.

Blue Serge Suits and Other Fine Outing Clothes

The Blue Serge Suit has a standard value as an outing or summer garment that cannot be discredited or reduced in the slightest degree. We have ready large stocks of fine Blue Serge Suits in many models, a goodly number of which are made expressly for us by Hart, Schaffner & Marx. It is pretty generally conceded that London sets the style; we have the London type and the more conservative also.

$15. to $35. each

Our special $25.00 Blue Serge Suit is a value that far surpasses our best efforts. In former seasons the suit made of this same quality material has been priced at $35.00. The lowering in price is due to change in tariff as the fabric is a fine imported English, the other a modified style.

MEMORIAL AND DECORATION DAYS.

The Confederate Veterans and their many friends on Monday paid respect to the memory of those who offered up their lives upon the altar of their country. Similar exercises were held today in honor of the memory of those who died fighting for the perpetuation of the American Union.

Over two score years ago when Decoration Day became a national occasion, the effects of the war had by no means subsided, the blood in both sections of the country not having sufficiently cooled. The services in Federal cemeteries were attended mostly by ex-union soldiers and children with a large percentage of negroes,one of that race usually offering up prayers and pronouncing benedictions. The day at that time did not appeal to people in the South. Often aspiring speakers in the north took occasion to flaunt the bloody shirt or champion their political dreams.

Later on Memorial Day, when respect to the memory of deceased Southern soldiers was shown, was instituted, and in a short time conditions passed through a remarkable transition. Ex-Southern and ex-federal soldiers gathered around the same monument at Prince and Washington streets and the superintendent of the National cemetery sent flowers with which to aid in decorating the shaft. A week later, when Decoration Day services were held, Confederate Veterans sent flowers to the National cemetery and many mingled with the crowd in the enclosure as American meeting Americans, and the Alexandria Light Infantry fired the salute.

At Confederate Veterans' banquets representatives from the Federal army attended, made speeches and entered into the joy of the occasion.

In the north in the meantime the bloody shirt was interred and survivors of the army of Northern Virginia were welcome guests at reunions of federal soldiers.

Nearly half a century has elapsed since the surrender at Appomattox. The great mass of Americans whose passions were stirred in 1861 have paid the debt of nature, and their children and grandchildren have taken their places. Many of the latter evince but little interest in the issues which divided the country at that time. Marriages and intermarriages between descendants of wearers of the blue and gray have followed, and they all now mingle in pleasant gatherings proud of the stars and stripes and ready to fight for their united country.

A well-known and esteemed resident of Alexandria during the past half century was a federal soldier during the war. At a banquet given by R. E. Lee Camp of Confederate Veterans several years ago, he followed his usual custom of being present. During the evening he was called upon for a speech. He began by saying: "As you all know, I am not a Virginian." One of the company shouted, "Your children are." The effect was electrical, and a shout of applause followed which prevented the speaker from practically uttering anything further.

At first the northern portion of the country designated the occasion of honoring the dead as Decoration Day. Those in the South called theirs Memorial Day, as a distinction. Both occasions are now known as Memorial Day, showing the gradual blending of both.

KILLED WIFE WITH BABY.

Baltimorean Convicted of Murder in First Degree.

Baltimore, May 30—A jury in Part II of the Criminal Court last night convicted Martin Moghar of murder in the first degree. Judge Heuisler suspended sentence. Moghar was charged with the murder of his wife on February 26 last at 836 South Dallas street. Another indictment charged him with the murder of their baby. Joseph Moghar the 10 year old son of the couple on the witness stand said that his father struck the mother with a wooden club, one side of which was notched

"Mamma was sitting on the side of the bed with the baby in her arms," said the boy "when papa came into the room with the big club in his hand He said 'Give me something to eat or I'll kill you,' and hit her on the head three times. Then he hit the baby."

Moghar claimed that his wife reached under the bed, got the club and struck him with it. He wrestled it away from her, he declared, and attempted to strike her on the shoulder. Instead of hitting her shoulder, he declared he hit her head. State Attorney William F. Broening and Harry W. Nice appeared for the state. He was defended by Attorney George P. McCeney and Harvey C. Bickel.

NEWS OF THE OLD DOMINION

DELAY ACTION OF BOOKS.

State Board of Education Postpones Decision Until After February.

Richmond, Va., May 30.—Adoption for books for the public schools for the next session have been discontinued till after February 1st of next year. This is the decision of the State Board of Education. The special committee reported that there was enough variance in the prices of the books offered to warrant a still further and more complete investigation in every way, and this was accepted by the board without dissent.

The board determined to authorize the continuance of the existing book contracts for another year. This wil prevail pending the receipt of the reduced bids from the contractors for this year, a consideration of the proposition made by seven publishers to lease their plates to the state for the publication of the boks by the State, though "six of the biggest houses have declined to consider any proposition looking to leasing of their plates along the California lines,' as the agents have declared, holding that when they made one mistake there was nothing to justify them in doing the thing again.

The "prefered list" will be revised, and many of the books placed thereon will be stricken off in case there is failure to reduce the prices. The special committee will investigate the "preferred list" and will make a report later, and the old committee—Stearnes, Stuart and Pollard—will probe further into the alleged discriminations against Virginia.

DOING THEIR DUTY.

Scores of Alexandria Readers Are Learning the Duty of The Kidneys.

to filter the blood is the kidneys' duty.

When they fail to do this the kidneys are weak.

Backache and other kidney ills may follow;

Help the kidneys do their work.

Use Doan's Kidney Pills—the tested kidney remedy.

Alexandria people endorse their work.

Mrs. J. B. Briscoe, 115 Prince St. Alexandria, Va., says: "A few years ago I allowed my name to be use publicly telling of the great amount of good Doan's Kidney Pills had done and at this time my opinion of the remedy is not changed. I was lame and sore and for five years. I just dreaded my housework on that account. After I took Doan's Kidney Pills, I felt a great deal better in every way."

If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Briscoe had—the remedy backed by home testimony. 50c at all stores. Foster-Milburn Co. Props., Buffalo New York.

ORDERS INVESTIGATION

General Sale Directs Inquiry Into Affairs of Highland Spirngs Company.

Richmond, May 30—Acting on the recommendation of the Inspector General Colonel Jo Lane Stern, Adjutant-General W. W. Sale yesterday ordered a complete and thorough investigation of the Highland Springs military company. The investigation was precipitated by the charges brought by Sergeant Lefew against his superior officer, in which the sergeant charged that the rolls of the company had been padded, and that there were others irregularities in the conduct of the command.

The matter as it stands is now in the hands of the Judge Advocate, Major Buford, and he will decide upon the course to be pursued in the investigation, it is said. All papers are now in his hands and it is said that officers of the command have been notified that the organization, discipline and records of the company will be thoroughly investigated. If this line is followed practically every officer and many privates will be summoned to appear before the court-martial.

Records in the court-martial proceedings against the members of the Blues' band are now being prepared, and will probably reach the office of the Adjutant-General sometime next week. The records are said to fill nearly 1,500 typewritten pages. As soon as they are completed and passed on they will be submitted to Governor Stuart, who will approve or disapprove the finds and turn them over to General Sale.

DRUG STORE ROBBED.

Two Unknown Negroes Commit Daring Hold-up in Petersburg.

Petersburg, Va., May 30.—A daring hold-up took place about 10:30 o'clock last night, when two negroes walked into the drug store of R. N. Partin, High and Canal streets, and took between $25 and $30 in money and shot Garnett Peterson, the clerk, who was on duty, three times.

At the time of the shooting there was not a person on the streets, but the pistol shots were heard by the residents of the neighborhood, and they responded as quickly as possible, only to find Peterson lying bleeding on the streets, and to see the two men rapidly running in the direction of the Seaboard Air Line Railway tracks.

FOR NATIONAL PROHIBITION

But Some Members Of Presbyterian Assembly Protest.

Kansas City, Mo., May 30.— The Fifty-fourth General Assembly of the Southern Presbyterian Church dissolved yesterday. The Assembly will meet in Newport News, next year.

A resolution in favor of an amendment to the Federal Constitution for national prohibition was adopted after lengthy discussion. A protest against this action by some members of the body, upon the grounds that the resolution was a "violation of the scriptual function" and contrary to the historic position of the church, was recorded.

A resolution deploring the number of vacant pastorates in the church and urging ministers to remain in the pastorate rather than go into vocations was also adopted.

The report on narrative showed the spiritual condition of the church be encouraging and the attendance upon the Sunday morning services gratifying. It urged more careful training of the children in the homes of the members of the church.

The contributions to the cause of Christian education and ministerial relief last year were $102,547, an increase of $5,000 over the receipts the year previous. The report showed 513 candidates for the ministry.

U. S. TO MAKE POWDER

Senate Passes Bill Appropriating $500,000 For Mill At Indian Head Md.

Washington, May 30.—The Senate debated for three hours yesterday the question of appropriating $500,000 for an extension of the powder manufacturing plant at Indian Head Md., then passed the measure just as it was carried in the Naval Appropriation bill.

Senator Hughes, of New Jersey, in whose State the powder trust has its largest factories, led the opposition to the $500,000 amendment. He consumed nearly an hour in an attempt to show the senate how dangerous it would be for the Government to manufacture its own powder. He contended that such an industry would drive the private enterprise out of business of supplying Federal ammunition and would endanger national safety in times of emergencies.

Senators John Walter Smith and Blair Lee replied to Hughes. They riddled the argument of the New Jerseyan and left him without enough support in the Senate to demand a division upon the vote.

A court martial yesterday in Tokyo sentenced vice-admiral Wa Matsumoto of the Japanese navy, to three years' imprisonment on charges of accepting bribes in conection with naval contracts. Captain Sawasaki was condemned to one year's imprisonment, but Commander Suuki was acquitted.

Mrs. A. L. Luckie, East Rochester, N. Y., was a victim of sick headache and despondency, caused by a badly weakened and debilitated condition of her stomach when she began taking Chamberlain's tablets. She says, "I found them pleasant to take, also mild and effective. In a few weeks' time I was restored to my former good health" For sale by all dealers.

WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework.

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.
